

The logo is set against a light blue sky with stylized white clouds. At the top, the text "OMICRON PHI LAMBDA EDUCATIONAL FOUNDATION" is written in a black, serif font, following a slight upward curve. Below this, three golden-yellow pyramids are depicted with black outlines and some internal hatching. A small yellow crescent moon is positioned between the two larger pyramids. To the left of the pyramids, a black silhouette of a golfer is shown in mid-swing on a green tee box. In the center foreground, a large, detailed white golf ball with a dimpled texture sits on a silver tee marker. The entire scene is set on a golden-yellow ground with some tufts of green grass. At the bottom of the logo, a black banner with a yellow border contains the text "THE PHARAOH'S CUP" in a large, yellow, serif font. Below the banner, the text "ALPHA PHI ALPHA FRATERNITY, INCORPORATED" is written in a black, serif font, following a slight downward curve.

Omicron Phi Lambda Educational Foundation
presents
The Pharaoh's Cup Scholarship Golf Tournament

The Omicron Phi Lambda Educational Foundation will present the Pharaoh's Cup Golf Tournament on Saturday, October 1, 2005 at The Orchard Hills Golf Club, located at 1600 East Highway 16, Newnan, Georgia. More than 150 players are expected to attend this event.

Alpha Phi Alpha Fraternity, Incorporated has been in existence since December 4, 1906. An organization of college trained men, community service has remained an integral part of its mission. Throughout its history it has been dedicated to the tenets of many deeds, scholarship and love for all mankind. The Omicron Phi Lambda Educational Foundation is a 501c3 organization that was started by members of the Omicron Phi Lambda Chapter of Alpha Phi Alpha. The chapter created this foundation so that it would be an asset to the community and its youth by providing programs that will benefit and help our young people.

The Pharaoh's Cup Golf Tournament will benefit the programs of the Omicron Phi Lambda Educational Foundation. One of these programs is the Ronald W. Sims Memorial Scholarship, which offers scholarships to deserving students. Mr. Ronald W. Sims was an educator in several metro area school systems for many years. His commitment to the youth was unwavering and unheralded. He spent his life giving to make life better for those who had little chance of seeing the reality of a college education. Additionally, the Foundation provides forums on teen pregnancy prevention from a male perspective, encouraging youth to finish high school and to pursue a college education and conduct voter awareness and registration drives. Your participation in this tournament will provide the necessary operating capital so that the foundation can continue its mission.

Enclosed is information regarding various sponsorship levels for the tournament. If you have any questions, please feel free to give me a call at (678) 478-3571.

We look forward to your support of and participation in this event.

Sincerely,

Nigel Kelly
Director
